About The Drive

One of the most unique destinations on Planet Earth, Iceland is a natural wonder like none other. Dark volcanic terrain, stunning glaciers, waterfalls galore and diamond-like clear ice by the beach, makes a drive through Iceland a bucket-list experience. Adventures Overland's drive begins from the vivid, quirky, and wonderfully arty capital, Reykjavik. Drive a Land Rover Defender 4x4 as the itinerary takes you to Langjökull glacier, Thingvellir National Park, Gullfoss waterfall and Geysir geothermal areas with hot spring spouts as the drive takes you west and east of Reykjavik.

Why travel With AO

A brainchild of Sanjay Madan and Tushar Agarwal, Adventures Overland was established in the year 2012 and is today universally recognized as the endword in the realm of self-drive expeditions within India, as well as across the world. Our promise of a luxurious experience, which is safely executed and is unique in its implementation, has withstood the test of time and earned us a dedicated clientele who have undertaken multiple journeys with us, and keep coming back for more.

Our customized and truly bespoke itineraries speak for themselves, as we firmly believe in the idea of countryside sightseeing, and discovering off-beat paths. The aim is to not only visit popular tourist places, but explore and absorb the very essence of a destination.

Adventures Overland prides itself on having set the benchmark for excellence in the field of Around the World Drives, not once but numerous times. AO holds Tri-Nation Expertise (India, Nepal & Bhutan), and along with 15 Limca Book of Records under our belt, we also enjoy the distinction of being a Guinness Record Holder in Travel.

We have been felicitated with numerous awards and distinctions which include - India's Leading Tour Operator at World Travel Awards (2020), Best Niche Tour Operator at Satte Awards (2020), Honoured by the Government of UAE at the Dubai Travellers Festival for special contribution towards adventure travel globally, Represented India at the 2nd ASEAN-India Car Rally, Zee Business Travel Award for Best Adventure Travel Experience Partner, and the Times Power Icons Award in Adventure and Expedition Category.

Our Reviews

DIPESH AGARWAL

I have been around the world quite a bit and always on my own. First time trip to Iceland with most of unknown people and first time with Adventure Overland. Was uncertain how it was going to be how things would be managed arranged etc lots of them. Still went through that would be a different sort of adventure. The results were at least 5 times I expected right from all the arrangements bookings planning locations things to do places to visit etc. At such a remote location in the world the experience was not 5 star but 7 star.

SAMEER KAVI

One of the most thrilling, challenging and rewarding journeys I have had so far! Everything was very well organised and we all were well taken care of. The AO team made sure we had the best of experiences in the most bizarre ways possible! Couldn't have seen Brazil and Iceland in a better way... this is a journey everyone

RINA BHANSALI

They have an amazing knack to pick the right locations, the right routes and vehicles. Every expedition is loaded with the most memorable sensory experiences. During my five trips with them, I have formed strong bonds with many of my fellow travellers.

ZAKKIR AHMED KALARIKKAL

Road to London 2017 still plays on my mind everyday. This epic journey has changed my life completely. Sanjay & Tushar are extremely passionate about what they do, that is why on our whole trip to London we did not face any problems. The trip was executed flawlessly, starting from the route planning, to the documentation and finally

DR ABHIJIT DEO

My experience with Adventures Overland has been phenomenal. I was apprehensive before coming, but the positivity of the team has made this an association for life and as someone in convoy rightly said that the road to heaven is bound to be tough.

SHONA WALTON

Driving on snow in the largest country takes some getting used to. It has been challenging but rewarding. These guys don't know the meaning of the word problem. The organization of the whole trip was very smooth, and we formed a great bond with the whole group.

NISHITA SHALIN SARVAIYA

Fantastic experience and Adventures Overland team made sure everyone had a great time. Professional is not the right word for them, because it was more like a personal touch in everything and that too with everyone. Thank you, team, for taking such good care.

MAYUR BIPINCHANDRA GAUDANA

It feels like your dream is a reality when you witness Northern Lights. I cannot explain in words when I was on the dream road, The Dalton Highway in Alaska. The best you can get only when you are with these two guys Sanjay and Tushar. Thank you AO for this epic ride, meet you guys soon for the next ride....!!
